I should say hardly any food and no money and no where to turn when they want food or any thing like. I think poverty today is brought on by themselves, everybody has the same opportunity.

ASK CHIEF WAGE EARNER/H.O.H.

26. If there is poverty what do you think can be done about it?

CODE C.W.E./H.O.H. ONLY

— WRITE IN ANSWER —

Certainly not education! I don't know how sure, a bit more effort and common sense! Suppose on the part of those that are in poverty, adjust to life. I will less pleasure by that I mean less, bingo, less gambling, they need to make adjust more in their life, less pleasure. And there are a lot of housewives, say if they see their neighbours got new curtains they want some too, keeping up to everyone else, they need more about thinking.
